**WE ARE A GROUP OF CULTURED BARBARIANS.
WE RUN THE STREETS NOT WITH VIOLENCE AND INTIMIDATION
BUT WITH KNOWLEDGE AND CULTURE.**

ELEVATE

rise to a higher state.

We live to elevate ourselves; to make ourselves the best individuals we can be; to live life the way we want to. A poetically unattainable goal, we constantly strive to achieve. There are many naysayers on our quest for epicness; they say we can't

do it, that we are wasting our time. How *dare* those who don't think for themselves pass judgement on we who live to better ourselves. We are a new breed. A pack of relentlessly unique individuals who hunger for truth and tirelessly pursue it.

We are a group of **CULTURED BARBARIANS**. We run the streets not with **VIOLENCE** and **INTIMIDATION** but with *KNOWLEDGE* and CULTURE.

*CULTURE FELT AND DEALT FROM SUBURBS
TO INNER CITIES.

INTELLIGENCE

LIVE AND DO.

BE INTELLIGENT. Cultivate rationale, understanding, and appreciation. Know inside and outside yourself: strive not only to understand yourself but to acquire all the knowledge that is available to you.

EDUCATE YOURSELF.

We use our knowledge to the fullest. We are righteous in who and how we choose to be.

WE ARE OUR OWN MASTERS.

Armed with knowledge we move forth with unparalleled resolve.

MAKE SHIT HAPPEN.

*DON'T HOLD BACK... CAUSE YOU WOKE
UP IN THE MORNIN, WITH INITIATIVE TO
MOVE, SO WHY MAKE IT HARDER...*

-Q-Tip

BULLSHIT

call it out.

We are the **CHILLEST VILLAINS**. Branded as scoundrels for seeing truth others don't dare to see, we seek to eliminate bullshit FOR GREAT JUSTICE.

We don't take kindly to sheep. It is innate in our Yeti spirit to hunt sheep.

Sheep don't think for themselves, roam in herds, and have no initiative. They are the antithesis of the Abominable spirit.

**THINK OPENLY. ACT DELIBERATELY.
LIVE FREELY. FUCK REGRET.**

*YOU WOULD RATHER HAVE A LEXUS,
SOME JUSTICE, A DREAM OR SOME
SUBSTANCE? A BEAMER, A NECKLACE OR
FREEDOM?*

-Dead Prez

*AND IT WASN'T LIKE THEY WEREN'T
GETTING CHASED NO MORE
JUST THE FREEDOM IS BETTER THAN
BREATHING, THEY SAID.*

-Lupe Fiasco

*NO DISRESPECT, BUT THAT'S HOW I AM.
-Ratatat*

YETI

release the beast.

The Yeti embodies the duality inherent to all who live **ABOMINABLE**. The Yeti possesses a ferocious feral spirit balanced by a tranquil shroud of mystery.

Some are terrified by his mystery. Others venerate it. But what makes the Yeti so badass is that only he knows his true intent.

We of the **ABOMINATION NATION** have chosen to live with the ferocity and tranquility that is the **YETI SPIRIT**.

*LIFE IS TOO SHORT SO
LOVE THE ONE YOU GOT.*

-Sublime
